“ *It was after Nana Huff's funeral that Norm and I started to talk on the phone. I called him on the days I missed my dad (his Uncle David), he was able to soothe my sad heart with conversations of his family and we would remember the times I visited him with my family as a child. It was good to hear his voice, it sounded so much like my dad's. When Norm called me, it was to tell me he was going to be a grandpa again. The last time he called me I answered with "so you are going to be a grandpa again?!" He laughed and said "yep!" He would tell me stories of his children and grand babies. He loved you all so much. I may be miles away but my Huff family is always in my heart!*

“ Aunt Eunice, Debi, Darren and all of the Huff family,

I am so very sorry to hear about Norman. What a shock to lose someone so suddenly and unexpectedly. I have many fond memories of Norman as a child. I am glad that we were able to visit all of you a few years ago in Wisconsin. It was so clear how happy Norman was with his family. I am attaching a cousin photo that I am fond of from that visit. He was such a sweet person and I know you all have many wonderful memories that will be treasured in years to come. I hope you find some comfort knowing that others are thinking of you and praying for you to help each other through such a heart wrenching time.

*Love

“ Norm helped me with my garden and showed me how to plant potatoes. He was very kind and had a lot of patience. Was always willing to help out whenever needed. Was a friend to me and my husband. I went ice fishing for the first time this month. Norm shared his shanty with me and showed me how to ice fish. It was funny when I started catching all the fish and he didn't catch any but was still fun.

I remember a trip to Storylad in N.H that he went with us and he was so thirsty as he had to limit how much he could drink because of bet wetting but being the good aunt I let him have all the water he wanted and boy did he drink !!! Lots of memories all good ones., Hold these memories close to your heart . Love Aunt Elaine

“ Norm showed me how to take care of my garden. He was very patient with me and nice to me. I got to go ice fishing for the first time this year, I shared norms ice shanty with him and he showed me how to catch fish thru the ice. It was a fun experience, especially when I caught all the fish lol.
