“ Grandpa... A man who could never be forgotten. You are such a wonderful man who has such a kind heart. You may be stubborn but you have the sweetest heart with so much joy. You cared deeply about all of us. You raised my mother to become the best mom she could be for us. I'll miss your phone calls, singing to me the second I hear your voice on my birthday, your goofy comments, and your pure laughter. I keep you with me every day and I'll always remember weekend dinners and celebrating all the holidays together. I love you grandpa and I can't wait to see you again ❤️
