“ I will always cherish "Aunt Pat"'s fun-loving, joyful spirit. I expect some of us may even feel her shining down on us (maybe even in a bit of a mischievous way?!) to help us remember that she is & always will be with us. Big Hugs & God's Blessings to my dear extended family - I may not get to join you in person, but my heart is with you always! xo

“ Thoughts and Prayers to the family of Pat. I knew her many years ago and had a lot of fun with her. I even babysat for the children once in awhile when you lived on 8th St. May all the fond memories that you have of your Mom be a keepsake and help ease the pain in the days ahead.
