Cremation has taken place.

# Tribute Wall

CF

“ We will always remember Pat as the sweet lady and her dog who greeted everyone in the neighborhood. She always asked how Carl was doing with his Parkinson's disease. When asked how she felt, she shared her condition without complaining. She terribly missed losing her little dog. The last 2 times I spoke with her she cried because of her dog dying. Pat has now entered a wonderful new home and hopefully reunited with her dog. Carol and Carl Freitag
