“ Pat was a an incredible man. He was my neighbor for 3 short years. In that time my family grew to care very deeply for him. He was a selfless man who was never too busy to make genuine connections with my stepson. I'll miss our little conversations about each others day, and him gushing over my baby daughter. It's gonna be hard for me to hear Archie and Walter barking, and to look outside and not see you standing there. We'll miss you Pat. You are loved.

“ Sorry for your loss Julie and family, Pat was a great guy always enjoyed talking with him. Just saw him at Joe's Fox Hut talked with him about old times working with him at Frank Motors. We had a good talk about the family and what was going on.

“ Pat, what can I say. We've been friends since we were about 11 yrs old. We did almost everything our parents told us not to do. You, Bruce Putz and myself. We did the roller skating and dances almost every week we could. Totaling cars and us getting caught and not turning the others in. Mini-bikes on the trails and my backyard. You meeting your lovely bride (my neighbor) Julie. I could go on and on, but it just wouldn't be right without you here to respond. Rest In Peace Patrick. Gods Speed.
