“ Grandpa Paul continues to be an inspiration to all that knew him- his quest for knowledge, a kind heart, a team worker, an honorable man. He is greatly missed at Chegwin, yet he is still present in all those he inspired.

“ Grandpa Paul was an amazing man, he dedicated many years of service to the Foster Grandparent Program. He served the Chegwin Community for 10 years and made a huge impact on everyone who met him. I'm thankful everyday that I had the opportunity to know a man like Paul.

“ Paul was my mother-in-law's husband, my husband's step-father, and my step-father-in-law - minus the word "step". Paul was such a wonderful person. He had a kind heart, was caring, talented, interesting to converse with, always a gentleman, and a wonderful husband to Wyn. Even though Paul was 87, I know he would have lived much longer, if he hadn't fallen. We are all very sad. I wish I had more time to talk to Paul and learn more about him, even though he is now in a better place. Our entire family will miss Paul - he was so very special to all of us.
