

Rebecca "Becky" L. Nolan

January 20, 1986 - November 6, 2023

Rebecca Lynn, was born on January 20th, 1986, to Mark and Holly Rochwite, in Campbellsport, WI. Early in life, Rebecca resided with her mother Holly Walker and her brother Ryan Rochwite in Fond du Lac, WI. Rebecca was a very fun spunky girl with a huge heart. Her enthusiasm for life was nothing short of extraordinary. She would light the room up with sheer energy, with big hugs, smiles, giggles and lots of shenanigans. A feeling of joy radiated all around her. She loved freely to each and every soul that crossed her path, always willing to help whoever she could. If you knew her, you would love her. She was always ready to use her talents, she purely enjoyed arts and crafts especially big bright sparkly things. She loved making things with a special touch of her very own. She could conquer it all from a wine rack made of pallets, to a free hand painting of a life-sized tiger on a wall. She could dazzle any room up in no time. From a full wall being reconstructed to paint to the roadside collectables. She would leave you standing there in awe amazed at her beauty and talents. Absolutely breathtaking.

Becky had an unconditional love for all animals and living creatures, she would bring it all home to be fixed. A kitty to be loved, a dog to be saved, a baby bunny to fatten up, a black crow with a broken wing to help survival, even tiny baby mice to get fed. She loved it all. Her biggest dream of all was horses, she always had her brain on horses throughout her life. In her final two years her dreams came true all because of three special souls and a horse named Billy.

Rebecca is survived by her mother Holly M. Walker (Trent), father Mark S. Rochwite (Linda), one son Kaden C. Nolan, One brother Ryan C. Rochwite (Jordan), sister Paige Rochwite, and one niece Finley J. Rochwite.

She is preceded in death by her baby brother Christopher M. Rochwite, a sister Shayla M Eiring, Her grandma and (BFF) Joy S. Nolan and Grandfather Stewart Rochwite and an Uncle Daniel K. Nolan.

“ Rebecca was more than a friend she was a guidance and an inspiration to me and others. She was there for me when others would call me names she would help me when others would be so mean. She helped me find myself I miss her and love her so much. She is thought of often.

“ I am going to miss Becca a great deal. She was one of the only people I've been privileged to get to meet, who has a heart that was pure. There aren't many like her. I'm still having a hard time wrapping my head around this. I was just with her 2 days before she was gone. I will miss her alot. Until we meet again one day. I took this pic when I was with her last week..

“ *Becky was my only girl best friend, since I could ever remember. She was there for the birth of my 19 year old son and we were pregnant with our boys together. She was so excited when I was having a girl, so she could dress her up an boy did she ever! She was there to breed my dogs and help me when the momma’s gave birth to the puppies, she was my maid of honor at my wedding. We have had so many great memories. My kids considered her there second mother. My parents her second daughter! I wouldn’t have my dog if she didn’t steal him from someone that was abusing him years ago.lol and just drop him off by me! Even though I didn’t want a dog here she came with him. She was the only one that was allowed to call me Stephy! I will miss her so much and miss our talks and her snoring in bed. She was so beautiful and crafty and always on the move. I will love her forever and ever*
