“ My Uncle was a dear man & I have very clear memories of him, under his strong exterior, being a teddy bear. I hadn't seen him in years but as a child & through my teens, he was always supportive & kind to me. I know how much my aunt loved him & misses him already & I pray the family can enjoy some peace knowing he is no longer sick or in pain, resting in the arms of our Lord.

Love to you all,
