“ 9 yrs. of suffering with Vascular disease. Optimistic after every surgery and procedure, continued to go on with great pain tolerance. No more lonely days and nights. Go to heaven and be with Dad, Mom, and Mim I am comforted knowing that your spirit is with those who Love you and have missed for a long time. I will always cherish our time together talking about when we were kids. I'm grateful you went in peace. The pain is finally gone..
