“ Rose... You and Richard have played such an important role both in my life and the the lives of my children. Although I haven't spent the amount of time with you that my kids have, my children really look to you as family...as "grandma and grandpa" ...as they would call you. Alivia still talks about the many breakfasts shared with the both of you and Kylee always had a funny story. He will be missed greatly and remembered forever in the lives of two spirited little girls. Thanks for playing such an important role in our lives! You are in our thoughts and prayers as you and your family go through this hard together. Kimberly, Kylee & Alivia
