“ Dear Sympathy to the Jackson Family, Bob and I would always meet and talk with at the post office (the slow mail service allowed us to get to know each other) he was always uplifting and very positive person. I glad I had the privilege to know him.

“ I was sorry to see that Bob has passed. I met Bob back in 1971 when my husband and I was starting a business. He was so helpful, kind and informative. I needed some information and guidance in opening a business that is still going and successful today after 50 years. I couldn't have done it without his help. You have my deepest sympathy in your loss. Mary
