

## Robert "Bob" J. Matasek

November 28, 1937 - January 28, 2020

Robert "Bob" J. Matasek, 82, of Fond du Lac, was born November 28, 1937 in Milwaukee and was reborn to eternal life on Tuesday, January 28, 2020, at Hospice Home of Hope.

Beloved husband of Marion for 32 years. He is survived by his children: Randy Spartz, Orya Matrix, Jeff Matasek, Jody Matusin and Brad Matusin; his grandsons: Bashar and Sirah Matrix; and many other family and friends, leaving us with a lot of wonderful memories. Following his wishes, a private memorial service will be held at a later date.

Heartfelt thanks to the staff of Agnesian Hospice and Hospice Home of Hope for their compassionate care and concern for Bob and myself.

“ Marion, Diane and I were saddened to hear about Bob's passing. We are going to miss him. We always enjoyed hanging out with you and Bob. I considered Bob one of my mentors in pigeon racing. Our thoughts and prayers are with you and the rest of Bob's family. RIP Bob.

“ I had the pleasure of getting to know Bob and Marion while taking care of Bob in the last few months of his illness. He certainly was a funny guy who I always looked forward to visiting. For every funny or silly thing I said or did he always had a comeback and more. I enjoyed spending time not only with Bob but also with his wonderful wife Marion whom I quickly learned to adore. My presence in their home was always welcomed as though I was part of the family. It's always difficult to lose someone you love. Reminisce often about the wonderful memories created over time. The person may no longer be with us physically but memories last forever. Sending hugs and prayers and a sincere hope that you have found comfort in knowing Bob is at peace.
