“ *I have so many fond memories of Uncle Bob. One thing I thought about Tuesday night was how when Barb and I were single we would go out for karaoke and who would we run into but Uncle Bob and Uncle Lee out together enjoying the music and the night. Uncle Bob lived in Sheboygan but we always seemed to run into him at the McDonalds by Festival Foods here in Fond du Lac, He always had a huge smile on his face and a good story to tell. He was my sister Barbara's godfather . You will be forever missed Uncle Bob, hope dad (Ronald) is taking good care of you in heaven.*
