“ We are so sorry for the news about Bob, He was a very kind but head strong man, He and I were on several committees at Church, and I always was interested in his ideas of what to do best for our Church. Sometimes we had some interesting conversations about our ideas for the best way to handle an issue but always came to an agreement. Deanna you and your family are in our Prayers at this time. Know that is at rest and is home with our Lord and Savior.
