“ *My Heart breaks with sadness along with the entire Kuhn family. Bob was a part of my life since I was a little kid. He made me laugh when he would come to visit my parents on 4th St. He always made me feel special. His dedication at Immanuel Trinity Church inspired me to follow in his footsteps at my church in Pembine today. He gave me advise as I was growing up, including when I was about to join the Air Force. Bob recommended the Navy. He followed my Career on the Police Dept. and always told me to stay safe. Later in my life, he became one of the best neighbors I ever had. I enjoyed many visits with Bob & Betty in their Home and Garage on 14th St. Bob will be missed, but also, will always be remembered, as his Kindness, Laughter, and Love, have been passed from him, to his Children and Grandchildren.*

Bob, Rest Peacefully. I Thank God, you touched my Life. Bill Kowalski

First met Bob while working as a timekeeper and production control clerk at then Kiekhaefer Marine from 1957 until 1962 after graduating from high school in 1957. While talking to him, I found out that he had had my Dad as an Industrial Arts instructor at FDL HIGH SCHOOL and that he and NormJacky had drawn a picture of a Soo Line steam engine for my dad. The original is , I believe, still on display at the Galloway House after being donated there in 1960. Ove
