“ Aunt Jan and family, I was sad to hear of Uncle Bobby's passing. I didn't find out until the day of his service.

But I do have a memory of him when I was about maybe 10 years old. I was at grandma and grandpas for the summer. The county fair was in Fond du Lac and Bob, Jr. and Winnie took me and filled me full of all the junk I wanted and then put me on all the rides I wanted. Well by the time they got me back to the farm I was so sick and Grandma was so mad. She told them if I threw up in the night they were cleaning it up. It was the best summer I ever had. I have the best uncles. Love and hugs to you and the kids.

“ Our sympathies to Jan and Bob's family and loved ones.
At Abiding Savior, I appreciated having him worship with us in the winter season. I can think of many small [and not so small] projects that he helped us with over the years - hanging doors, trim work, patio covering, building storage...]
May Jesus' words be a comforting reminder to us all, "Because I live, you also will live."
