“ *To Family of Bob McAuly, Sad to hear that Bob has passed. I worked with Bob I the early 80's, on the street crew, especially on Cottage Ave. to Merrill St. God, I had so much fun working with Bob. He taught me how to run a front end loader. Even gave my kids a ride when they re-did Harbor View in the Park. I really enjoyed my job during that time and will never forget BOB. Thanks BOB. Sincerely, Tim Hoffman*

“ Uncle Bob was the sweetest, kindest, and most loving man I've known. He and Aunt Norma were like an extra set of grandparents to our girls. We always had the most fun at Christmas when they came to visit us. Uncle Bob was a perfect example of a Godly man and husband, I was always so in awe when I would see him with Aunt Norma and he always treated me like a daughter. I'm going to miss you and your bright spirit so very much but I know our loving God has you in his embrace. I love you, Uncle Bob and thanks for all of the memories.
