“ We send our deepest sympathy to his family. Bob was a very special friend to us for the past 15 years. Bob was my 1st employee I hired and we quickly became friends. I love Bob and will miss his smile and hugs and his stories. He loved to share stories when we visited him and brought him dinners and angel food cake. His favorite story was his family. He spoke often of all of you. He was proud of his children & without a doubt you were his heart ❤️ He would talk about his brother & sisters too. We know he will be deeply missed by his family and friends. We will miss him 😭but also know he is at peace and no longer suffering. May Gods love & peace be with you. 🙏❤️🙏 Mary & Mike Wendt
