“ Saddened to hear of Bob's passing. I was a student of his at Pilgrim Park Middle School in Brookfield, Wisconsin. He was my Social Studies Teacher and helped me memorize Paul Revere's Ride. I believe he lived in Wauwatosa. Such a great teacher that I was so very fond of knowing.

“ I am so sad to see this, as I was searching for "Mr. Wegner" my most favorite of teachers. I will never forget how he was strict yet loving to each one of his students. He gave each of us a nickname and treated every student special.

“ Our thanks and appreciation are extended to Bob Wegner's support family. A wonderful opportunity comes forth when friends in a professional level become family in a personal level. So much gratitude is sent forth to Laura Schwartz and Staff at Sage Meadow Assisted Living and Valerie Barton at Corporate Guardians of North East Wisconsin. All the wrap around support enabled 'us' to enjoy our dear friend and colleague throughout life challenges. Our monthly visits and celebrations since 2012 were appreciated by all —most importantly, BOB, as he enjoyed Dunkin Donuts, hot chocolate, and of course lasting friendships of enduring quality. Linda C., Anne K., Linda P., and Rusty W.

“ Anne kreul, Linda Carpenter, Linda p o l u l a c h and Rusty Wilson enjoyed our monthly visits to see Bob over the past nine years. We worked with him at the school district of Elmbrook for 37 years. He never lost his w i t or that sparkle in his eye. Only covid-19 kept us separated since March 2020. Some of our children were fortunate enough to have Bob as a classroom teacher. He was outstanding. Thank you for all the memories Bob and we look forward to seeing you at the gravesite with your parents. Thanks for the Memories in the labs and a few tears
