“Peggy and I were so sorry to hear of Rod's death. He was a great guy and a good friend. We all had a lot of fun in college together at AGR and I also enjoyed having Jessica in class at Short Course. I am sure Rod will be missed by the ag community around Fond du Lac, by his AGR brothers, and most of all by his family. My regret is I did not realize he was sick, or we would have tried to make a connection earlier. Our sincere sympathy to all of his family and we shall all keep his memory close to our heart.

“ God saw him getting tired and a cure was not to be. So He put His arms around you and whispered "come to me." With tearful eyes we watched you, and saw you pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us, He only takes the best.
