“ I am so sorry to hear of Roger's health struggles. I went to school with him at John Paul Jones School, and his sister Judy was in my class. May Roger's trust in Jesus as his Savior bring you comfort.

“ It was a sad day and a happy day when I read that Roger was gone. Sad because he'll be missed so much and happy because he knew where he was going. No more sorrows - no more pain. I played guitar and sang at a Bible Study three of us held at Harbor Haven Healthcare Center. Roger was always there and always participated in his own way. I know that I will see him again someday. My thoughts and prayers are with you that you will be comforted in this time. "Therefore we do not lose heart. Though outwardly we are wasting away, yet inwardly we are being renewed day by day. For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all. So we fix our eyes not on what is seen, but on what is unseen. For what is seen is temporary, but what is unseen is eternal."
