“ I went to high school with Sal. He was a great friend and had a great sense of humor. Positive attitude and commitment come to mind when thinking of Sal. Sal's dad made some great wine. Good Italian family. RIP to Sal a great man. Dick Lurvey class of 1953 Fondy high School

“ My deepest sympathy to Lisa and family. Your dad was possibly the best teacher I ever had. He made us think deeply about things in a way other teachers did not. Some of those lessons have impacted me my entire life. In his retirement, I also had the pleasure of working with your dad at Rolling Meadows Golf Course where I fell in love with him all over again. He was a true teacher in so many different ways. May you find comfort in your good memories of him. Sincerely,

“ *Some fond thoughts and memories of Sal...*

*Sal and I paired up to coach the Fondy Football JV's
In the late 60's to early 70's. Sal was very energetic in his coaching
style. He worked well our young players.*

*We also did the scouting of our next Cardinal Varsity opponent on
Friday nights. When scouting on the east side of Green Bay, he
always wanted to stop in the De Pere area at a restaurant that
served his favorite pressed toast.*

I enjoyed coaching with Sal as there was never a dull moment.

God Bless, John Schrum

“ *Mr Curcurio, Sal, Curcurio! 1966 at Lincoln School he prepared his
students for junior high school and then followed us to Sabish to
“see if we learned anything.” He taught drivers education behind the
wheel, having his students practice “Y turns” in front of our home.
Then 10 years after my graduation I had the chance to attend a
track meet with my co-worker. Sal was walking along the track as I
climbed into the bleachers. Hey Curcurio, haven't you retired yet?
He looked up and without skipping a beat yelled out my last name!
He had a mind like a steel trap! May he rest in peace and prepare a
place for us.*
