“ *Deer hunting with Scott, Uncle Wally, Uncle Richard, Dad (Uncle Earl), Vince, Scott's best friend George, later Clay up at Merrill in the Lincoln County forest. How by tradition we would go out to eat then bowling before playing cards at the hotel. Getting up early having breakfast at the truck stop then going into the woods. That evening sharing all the stories both fictional and nonfictional of the day of. Great memories and to many to share here. Thanks Scott.*

“ Scott and I worked together for several years in the MC building at TCI. That was a tough building and was never drama free, yet I knew when Scott was there, my shift was going to be great. Always had a joke to tell or a funny antic to show off...didn't matter the day, Scott would ensure everyone went home with a smile. We maintained contact briefly after I left the DOC and am deeply saddened to have learned of his passing. Scottie, you will be missed tremendously. See you on the flip side dude. Courtney
