I worked with Smitty at Vulcan. It was my first job. I was probably 21 or 22. He was a great mentor and friend. He even convinced me to go skiing for the first time. I left FDL in 1971, but ran into him a few times when visiting. I think he had a '55 Chevy Nomad wagon then. He will be missed.

Our entire Denslow family enjoyed “Bob” and his wonderful sense of humor. An ordinary experience, when told by him, had us all in laughter. He “drew up the plans” for our over-sized garage/patio that I still appreciate. He was the Best Man in our 1968 wedding and a good friend.
