“ Oh StevieB ☐❤️ You made me fall in love with this field of work. I was your teacher , your guidance , your day service mama.. I love you and won't ever forget your wraspy laugh, glossy eyes, or your naughty giggle and vein. Your laugh was contagious and your singing brightened the room. You kept me on my toes, you taught me patience. You showed me how to truly love another person that does not share the same blood as me. Bumble bee song and ants go marching we're always on repeat. Your hugs and shoulder kisses were the best. I just picture you yelling reaaaaaaaady, 3, 2, 1 BLAST OFFTTTTTTTT and I always knew that meant teddy or whatever closest to you was going flying 😊❤️☐ I will never forget you. These have been in my phone for so long (hippa) but I had to share these under sad circumstances. Blessings and prayer to his family. This was my guy ❤️😭
