“ *To Sylvia's family, I am so sorry to hear the news of her passing at this time of the year. It's been awhile since I've seen her. I think she is one of the last cousins in my mothers generation to join them in Heaven. She was a very nice lady and I enjoyed my conversations with her whenever we'd see each other. RIP with all those that went before us. My thoughts and prayers to her family!*

“ Your mother was the best! Every day on my way to school I stopped at your house. Your mom was standing at the stove dishing up oatmeal with her wooden spoon! She was so kind to me. You were blessed. May your memories of your mom help ease your pain.
