“ *I am so saddened to hear the news about Teri. She will always be considered my dear friend and a dear heart. I have her home movies with me, want to pass them back to you kids. I have not heard of the time for her service, I really would like to share in the celebration of her life.
She was one incredibly strong woman who touched us deeply. My sincere prayers to all the family.*

“ To my beloved cousin - through the years, we grew to know each other for who and what we became in our adult lives and I will always treasure our times together. You were always a loving member of the family and you also grew into a loving mother and grandmother which will never be forgotten.

I believe that you are now at peace. May your soul now rest.

With all my love and condolences to you and your family.

Love, Kim

P.S. - Please give my Uncle Tony a hug from me!

“ Erin, Ronny, Amanda, Damon and Tom, I know your family has been through so much; and I as her Godmother and Aunt; know that her suffering is over. I will always remember all the times when she was a child and as a young adult all the memories we have shared. Just to remember to love one another and that she is now at peace.
