“ My dear friend, it's been almost 6mo. now and my heart is still saddened as it was the day you left to be with Ron and Art.I have 5yrs. of such beautiful memories we shared. I miss the setting on the bedside we did so often at 2 or 3am talking about anything and everything you and I wanted to talk about, that was"our time" as you called it. I miss getting your groc.,meds,buying your personal items(you always said you trusted my judgement),meeting you and Anne at the Dr.office, setting up your appointments,fixing your hair and nails when you weren't feeling up to going out,coming to check on you because one of the caregivers felt you weren't being yourself (24-7),I miss all those things I took for granted. Thank you Thelma for letting me share a short time of your life but one I'll never forget.

“ Gary, I am so sorry for your loss, your mom was one of the sweetest ladies I had ever met. It was always such a pleasure to see her walk in the front door at Badger. I know that your loss is great but at least you know that she is with Ron and your dad. I will say a prayer for you and everyone in your family and the Badger family (of which I dearly miss but feel like I am still a little part of).

“ I have so many wonderful memories of my Aunt Thelma. From her sending me Florence Eisman dresses to her wonderful chocolate-chip cookies. I remember playing "office" with her. I remember her making me buttered noodles when I came to Fond du Lac. I remember when my sister and I stayed with her and Art when my parents were in Hong Kong. The wonderful care she took of us. I will miss Aunt Thelma very very much!

“ Our Aunt Thelma was very special to us and our children. We lost a very special person, one who took such a special interest in our lives and shared her warmth, laughter and kindness with us. We always looked forward to when Aunt Thelma would send her chocolate chip cookies-they were so treasured that we meted them out as they were gold. We always enjoyed our visits with Aunt Thelma and family when we came to Fond du Lac-she always treated us with very special care. We will always treasure these fond memories.
