“ *From the moment I met Tess, along with Rob and her fur babies, I could tell she was a ray of sunshine. Throughout the few years of taking care Harley and Zillie, we became friends. Although we didn't see each other as often as I wish we would have, the sunshine, hope and kindness was always exchanged through texts, notes and thoughtful gifts. Tess didn't just shine, she inspired others to shine! She will be missed, but I am so blessed to have her touch my life. My thoughts and prayers go out to Rob, Tess' mother and the rest of her family and friends. I will keep spreading the sunshine!*
