“ *Oh, I'm so sorry to hear the news about your mom. June and I visited her last year and we had such a good time. We went out to eat and then shopped at the Christmas store. Afterwards, we looked at some of the things she had in the basement from Grandma and Grandpa Acheson. It was really a good visit. Also, I remember the times your dad and she would baby sit us kids when we were young. We played many games of pickup sticks at the kitchen table with chocolate cake afterwards. I will always remember her good humor and down to earth ways. I'll miss my Christmas cards and notes from her when we would catch up on what was going on with all of our family. Love and sympathy from your cousin Jean*
