“ *As a kid who grew up with Tom in the days of the Great Depression, I have many fond memories of good times together. We both found our lives centered around St. Paul's Cathedral. We kept our lifelong friendship thriving. My condolences to the family of this great man. I'm really going to miss him!*

“ *So sad to hear of Tom's passing. Prayers for comfort and peace to his loved ones and friends. He had a glint in his eye as he told about his books he'd written over his lifetime, taking care of Fern and his 'dad jokes'. Know he is happy to once again be with his bride. Cathy Stratz of FDL*

“ *Dear Vianne,*

I was one of your friends during grade school at Bragg School. I still remember the time you invited me to your home, my family lived a half block away at 190 Vincent Street. Your parents greeted me at the front door. I have rarely experienced such friendliness and warmth as I did from your parents that memorable day, from your dad especially. I was a shy little girl and that really resonated with me, have remembered you and your family in my prayers. I hope the decades have been good to you Vianne. Someone said you studied Pharmacy at Hawaii. Best Wishes, and Blessed Holidays!

With Love and Shalom,
