“ Virginia, was my Father's sister and my aunt. We had alot of good
times together when I was growing up.She was a sweet lady, and
always knew me when I saw her.I had just been thinking of her last
week. Wanted to see her when the weather was better. Now I'm
sorry she's gone. She was a special person, who I will not forget her
smiles.

“ I'm so sorry to hear of Ginny's passing! I cared for Ginny years ago when she lived at Care Center West in FDL and then when we built the Ripon Area Residential Center (now Sheltered Village) in Ripon and moved over here. Ginny was one of my favorite residents. She was full of smiles and her picture says it best. She brought alot of sunshine to us all.

“ I worked at Sheltered Village for 11 years. Virginia was one of my special residents I cared for. She always had a hug for me and I remember how sweet she was. My children would attend dances and parties and she knew them by name and they grew up knowing her too. She is sadly missed.
