“ Dear Cousins, we're thinking of you during this time and praying for strength in knowing your Mom is now completely whole once again. I have so so many fond memories of your Mom spending much time with your whole family throughout my life. Just living next to you on the farm, going to Church together each Sunday, picnics, family reunions and much fun and laughing. My heart is with you during this time, I love you guys and miss every single one of you!
