“ It was a blessing to have a great Aunt like Aunt Virginia in my life. She was very nice and understanding, she could make anyone laugh and have a good time. I will miss her but will always have her memories in my heart. She will defently be missed. When she came over to visit i had to carry her up the steps she would say your really strong don't drop me, i said never. I visited her when i could and each time that i did she would always smile saying her hero and macho man was here lol. I wish i coulda been there to say good bye, but than it's never good bye because someday well meet on other side someday. Love always and forever...
