“ *We were so sorry to hear of Greg's passing. We will miss him. He was always so friendly and shared so many of his interests with us. He brought in a bird for us to see that he had carved that was so beautiful. That bird was perched on a piece of diamond willow branch. I have a cane, carved by my great grandfather in Willow City, ND that is diamond willow and had never seen any other diamond willow. We had the most interesting talk about diamond willow, and he told me about where he grew up. Our sympathies are with you. He was a very special man.*

“ *I'm shocked to see Greg has passed. The last time I played at the healthcare center he was doing good and upbeat.*

Sorry, I'm not going to be able to make it to the services.

Take care. I'll keep you in my prayers.
