

Waldo M. Nelson

January 22, 1921 - July 6, 2011

Waldo M. Nelson both loved his family, and was very much loved in return. He was born in Stevens Point, Wisconsin. After attending business college, he went into the Army during WWII. He was in the Signal Corps in the Phillipines. Following his safe return, he met Virginia, the love of his life. They married in 1948 and he began a career with the telephone company, first Wisconsin Bell then AT&T, that would span many decades. During the next few years they became the proud parents of daughters, Kay and Kristen. As time went on they became grandparents of Sean and Christopher Davis and Laura Brubach. Through marriage he became beloved "Uncle Ozzie" to nieces, Karen Wise and Kathy Coveyou and nephews, Wilmer Reichmann, Peter Reichmann, Mark Schubert and John Schubert. He is preceded in death by Virginia nee Schubert after 60 years of marriage. God has showered years of blessings on him. The funeral service will be held at 1:30 p.m. on Wednesday, July 6, 2011, at Rienzi Cemetery Mausoleum chapel, N6101 County Trunk K, Fond du Lac, with Rev. Wilmer Reichmann officiating.
