“ I have know Wayne his whole life, but got to really enjoy him when he joined the military and was stationed in Germany neat us, so he spent a lot of time with our family. At one point he was a driver for the Colonel and my girls would tease him telling him he was brown nosing, he said I don't care it will look good on my resume. So anytime he did anything new he always said it will look good on my resume..He will be missed by me and my family. Love Ruth Vives and family
