“ Paula, and Will's beloved family,
I am so saddened to hear of your loss. The years that I worked with you and Will were very enjoyable ones. Will always took the time to stop and say hi or tell me a little story to brighten the day. He was one of the people at R.E. Phelon that made work fun. Our lives have all changed, and yet another one has come for you. Paula, take care of yourself; you and your loved ones are in my thoughts and prayers.
God Bless,
Bev

“ We are sorry for your loss -- I have fond memories of working with Will and traveling with him. He was a great supporter and friend -- one of my fondest memories is a two week trip that he and I made to Europe ; I learned a great deal about him during that time and he introduced me to truly Italian food and hospitality.

“ I was Will's hairdresser. I am so sorry to hear of Will's passing. I always enjoyed his adventures, if he was going camping or going on a trip for work. He even told me how he proposed to Paula. I remember on time when he stopped by a salon I was working at to show me his latest motorhome he got. It was beautiful! Will Paul will be greatly missed by me, he was a very sweet man. My thoughts and prayers are with his family.

“ Paula, We know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. When sending a note of condolence it is difficult to know what to say or how to phrase your thoughts and feelings. Our love and prayers are with you in your time of sorrow. Love ya, Art & MaryEllen
