“ I know that this is quite late, but I just now discovered that Wyn had passed away. I spent time trying to find her on her birthday in July, but I did not have any success using the number that I had. I also tried contacting may apartments & assisted living facilities in Fond du Lac, but again I failed. We became friends in Fox Lake and continued our friendship while we both lived in Fond du Lac. I live in Sun Prairie now. She was a wonderful friend, and I enjoyed her company. My condolences to all of her family. God Bless all of you!

“ Wyn shared such great positive energy with the students at school when she would go to read with them! Her smile and wit and energy was so much appreciated by all of her fellow ADVOCAP Foster Grandparents!

“ I remember Wyn as very outgoing. I met her at church, she was part of our Bible study for many years, and we would also go out for coffee from time to time. I will miss her.
