

Winnie A. Fink

March 25, 1926 - January 8, 2008

Winnie A. Fink, dedicated and loving husband and father, died Saturday, January 5th at home, surrounded by his family, at the age of 81. He was born on March 25, 1926, in Fond du Lac, to Winnie and Elsie Detert Fink. He served in the United States Air Force from 1944-1946 as a member of a B-29 crew. After WWII, he served in Germany and was honored to attend the Nuremberg War Crime Trials as an observer. On December 28, 1946, he was married to Audrey Kellett at Division Street Methodist Church. He enjoyed 61 years of love and happiness with his wife Audrey. Winnie's biggest accomplishment and source of pride was his family. He loved the outdoors and spent much time camping with his family and fishing for perch. Winnie completed his BS degree at UW-Oshkosh in 1950. He was awarded a National Science Foundation fellowship, resulting in a MS degree from UW-Madison in 1957, and completed his post graduate work at Marquette University. His career began in 1950 as principal of Reeseville grade school, and from 1952-1955, he taught at Lomira High School. He started in the Fond du Lac School District in 1955 as a fifth grade teacher at Evans School, and from 1957-1962, he taught Advanced Math & Physics at Goodrich High School. From 1962-1968, he served as assistant principal at Woodworth Junior High School and as principal from 1968-1978. In 1978, he returned to the classroom at Goodrich High School and was able to pursue his love of teaching, until his retirement in 1986. Throughout his life, Winnie touched so many people in so many ways. He was a friend, confidant, mentor and

teacher. His positive approach to life and his sense of humor will be missed by all. Survivors include his wife, Audrey; four sons and two daughters: Robert (Joan) Fink of West Bend, Terry (Robin) Fink of Fond du Lac, Richard (JoAnn) Fink of Fond du Lac, Nancy (Jim) Stokosa of Stevens Point, Winnie (Kathy) Fink of Fond du Lac, Diane (Kevin) Allen of New Berlin. He is also survived by 18 grandchildren, 14 great-grandchildren; two sisters: Arlene Hintz of Shawano, Delores (Bob) Trepanier of Fond du Lac; and a brother, Marvin (Dorothy) Fink of Brownsville. Winnie was preceded in death by his parents; four brothers: Lyle, Earl, Reuben, Mylan; one brother-in-law, Melvin Hintz; and two sisters-in-law: Jeanette and Rosemary Fink. The visitation will be from 4-8 p.m., on Tuesday, January 8, 2008, at Mach Funeral Chapel, 31 East Division Street, Fond du Lac, and from 10:00 a.m. until the time of service, on Wednesday, January 9, 2008, at Covenant United Methodist Church, 20 North Marr Street, Fond du Lac. A funeral service will be held at 11:00 a.m. on Wednesday at Covenant United Methodist Church with Rev. Michael Morning officiating. Burial will follow in Ledgeview Memorial Park. A special thank you to the Agnesian ICU team and Agnesian Hospice Hope.

“ *I would just like to express my sorrow at Mr. Fink's passing. I was a student at Woodworth when he was principal and later, when he taught at Goodrich, I enjoyed visiting with him in the halls as I passed between classes. Mr. Fink was a fine, honorable man and his demeanor added a positive influence to the schools that were blessed with his presence.
May God comfort you in his passing.

“ I am so saddened to hear of Winnie's passing. He was the best teacher I ever had, bar none. Because of him I learned to love math and with his kind recommendation letter, I received a scholarship to UW Madison that launched me on my career as CPA and CFO, retiring 3 years ago. I will miss him but always admire him as a close fiend and excellent teacher. God Bless you Winnie!

“ We are all put on this earth for a reason. I feel Principle Fink's reason was to help us better ourselves. I was a student at Woodworth while he was Principle (1968-1970). He may have been a great teacher, but he was also a great listener. Even though his schedule was always full, he would take the time to listen and talk to anyone about anything. I think because of Mr. Fink many people are better communicators today. My deepest sympathies to his family.

“ *Winnie was a great father, educator, and a wonderful role model for so many people. He cast a shadow far longer than his physical stature possibly could. I was honored to teach with, and learn from, him at Goodrich High School. Winnie was such a positive man and always seemed to have a smile on his face even during challenging times. Mary and I admired his loving relationship with Audrey and they were role models for me in my marriage. He will be missed.*

“ Please accept my deepest sympathy. It is so strange... I am 55 years old and had just been telling my sister and my husband about "Winnie Fink" my favorite math teacher from my days at Woodworth Jr High. My own mother passed away on Friday, December 28 and while my sister was here for the final days of my mother's life, we were reminiscing. I thought the world of Mr. Fink as a teacher and Assistant Principal. Please know that he touched so many lives as an educator, and what better legacy to leave than the way you touch a young person's mind. Thank you for sharing him with all those students, and may your grief be eased in knowing that our prayers are with you. Sincerely, Luule (Late) Moreno
