“ Grandma I miss you so deeply. I miss hugging you and telling you how much I loved you. I'll miss dying your hair and doing your nails, going to the cemetery with you and placing flowers, taking you out to eat, going grocery shopping with you. I want to thank you for being there for me all the time and always listening to me when I needed a lending ear. Asking me how Nelly was doing and just showing me what unconditional love was. I love you so much and I'll miss you always. I hope to see you again.

“ Mom, I love and miss you so much already. I am going to miss late night conversations when I can't sleep and coming over to eat popcorn with you. You were my ears no matter what was happening. You lived next door, just a step and door away and it will never be easy knowing you aren't there. You will be missed and things will never be the same. I love you.

“ To my great nana-

I miss you to where words can't even explain. Thank you for taking care of me when I was baby and taking me everywhere with you. We did so many things together as dancing, watching Disney movies and my favorite going to the library to get books. I enjoyed picking cherries off the cherry tree with you and just sitting outside enjoying them afterwards. You will always be my great nana.

Love Shaylah. ❤️
